A tour for the county clubs is being discussed. A tour committee for the county has been nominated to select a place to visit. Old Salem in Winston-Salem, N.C., has been suggested. Our club members suggested Williamsburg and the Pottery Shop.

Our president reminded us that on Sunday, May 19, 1974 from 2 until 4 a Glaucoma Clinic will be held at the Appomattox High School. Everyone over 35 should be examined. There is no charge.

Mrs. Walton is in need of a portible sewing machine. A member of one of the clubs has suggested that each club give $25.00 to help purchase it. Our club does not have $25, but after a lengthy discussion, the majority voted to raise the money through means of a Stanley Party. The club would give whatever we could make up to $25 dollars toward the purchase of the machine.

Achievement Day was discussed. It will come either the second or third week in November. A half day session is planned with refreshments, rather than a covered dish luncheon. Saturday was suggested as the day due to a number of the club's members working during the week and being unable to attend a week day program. Our club decided that the day would not matter. Those who wanted to attend would - no matter the day.

The Federation program titled "Spring Clean-Up Fix Up" was given by Mrs. Inez Foster.

The Homemaker's Creed and Prayer were repeated.

Mrs. Susie Krantz gave an informative and enjoyable demonstration on "Drying Flowers."

The meeting was adjourned, and we enjoyed delicious refreshments served by hostess.
